2024-25

Policy reviewed: September 2024

Next review: September 2025

M. Shillam

1. Summary

The 16 to 19 Bursary Fund provides financial support to help students overcome the specific financial barriers to participation they face so they can remain in education.

There are 2 types of 16 to 19 bursaries:

- **Vulnerable Bursary** For young people in one of the defined vulnerable groups.
- **Discretionary Bursary** Awarded by the academy to meet individual needs i.e. help with the cost of transport to and from the academy, meals, books, equipment and school uniform/PE kit

You can find all the files required and the online application form using the following link: <https://scacademy.co.uk/sixth-form/sixth-form-bursary>

2. Eligibility Criteria

For students to be eligible for the bursary fund, students must meet the age and residency criteria as listed below:

- Be aged 16 or over and under 19 on 31st August 2024.
- Students aged 19 or over with an Education, Health and Care Plan (EHCP) or continuing on a course you started aged 16 to 18 (known as being a '19+ continuer')
- Be enrolled on a full time course
- Meet the ESFA's residency criteria as set out in the ESFA Funding Guidance

3. Bursary Groups

This policy meets the requirements of the Education and Skills Funding Agency (ESFA)'s 16-19 Bursary Fund Guide 2024-25, providing pupils with the opportunity to benefit from the fund at different levels according to individual circumstances. There are three groups at whom the academy policy is directed:

- **Bursary Level 1 – Vulnerable Student Bursaries**

The academy can approve up to £1,200 of bursary funding which will be paid to students who are in one of the following 'vulnerable groups' as defined by the EFSA:

- In Care or Care Leaver
- Receiving Income Support (IS), or Universal Credit (UC) because they are financially supporting themselves or financially supporting themselves and someone who is dependent on them and living with them, such as a child or partner.
- Receiving Disability Living Allowance (DLA) or Personal Independence Payment (PIP) in their own right as well as Employment & Support Allowance (ESA) or Universal Credit (UC) in their own right.

If extra help is still required for the vulnerable student to remain in education they can apply for a discretionary bursary.

- **Bursary Level 2 – Discretionary Bursaries (household income below £35,000)**

This is based on the financial position of the student's family, and their needs to continue in education. To be eligible, the student's family household income must be **below £35,000** per annum, to include income from employment, pensions payments, jobseekers allowance, universal credit, all tax credits including child tax credit and working tax credit, however, child benefit may be excluded.

The 16-19 Bursary Fund is limited. If funds remain after the above bursaries, students not in receipt of the above bursaries may apply towards the costs of transport, equipment, school trips in the UK, visits to universities etc. Decisions will be made on a case by case basis, and must demonstrate a real need for assistance. Students applying will be required to provide evidence of family income. Evidence of payment of costs will be required (please ensure you keep receipts where possible).

6. Assessment Procedure

The awards listed below are the maximum payments which can be made subject to the numbers of students who are accepted and **are not guaranteed**. They will be determined according to family income and costs expected by the student.

The amounts awarded to each student eligible for a level 2 bursary will also be determined by the total number of students who apply successfully before the deadline. The Bursary fund is a finite amount and, in cases where there are high numbers of eligible students, each student may receive less than the maximum. The Academy will seek to ensure total payments do not exceed funding provided by the ESFA.

Tier	Eligibility Criteria for Level 2 Bursaries	Maximum Bursary Awarded for whole year
A	Students in receipt of Free School Meals	£1,000
B	Students with family income below £16,190, not on free school meals	£800
C	Students with family household income between £16,191 - £35,000	£600

Important

- For Tiers B and C - evidence of household income for all parent(s) is required to support the application.
- Students who are in receipt of Free School meals (Tier A) will not be required to provide evidence of income – subject to confirmation from Walsall Council. You can find out if you are entitled to free school meals by visiting the Walsall Council website https://go.walsall.gov.uk/free_school_meals

- You will be notified by the academy finance team as to whether your application has been successful and how much bursary funding you have been allocated

7. Student Educational Needs

The list below is an example of the costs that students may receive bursary support for:

- Travel to and from place of education
- Academy uniform / sports kit

- University visits / interviews
- Curriculum materials / equipment – books, revision guides, consumables, etc.

- Any other costs that will help students overcome financial barriers to participation in education

8. Payments

In order for students to be paid, they must complete the following steps:

- a) Students are required to upload their receipts via the following link [Claims](#). This can be accessed from the academy's website under the Sixth Form heading, then the Sixth Form Bursary section.
- b) If a bursary is awarded towards school meals, a daily amount is credited to the student's meal account. Unused amounts cannot be carried forward. Students may have to top their account up for additional food
- c) The academy will endeavour where possible to make payments on behalf of the students. Please also note that some items may not be fully funded e.g. payment for an academy trip
- d) Payments are issued to students on a monthly basis. At the end of each month receipts will be reviewed to ensure they meet the criteria of the bursary fund you were awarded. A BACS payment will be made the following month.

Important

- It is imperative that all receipts are uploaded via the claims form above at the end of each month in order for payments to be made. Any receipts uploaded **after** the end of the month will be rolled over to the next claim period
